Red Cross Secretary's Report

As has been our custom in former years, the Center Harbor Red Cross has sponsored the water safety program. Miss Francine Anthony of New York was the instructor this year with an enrollment of about 35 children.

We were fortunate in having a practically new hospital bed and folding wheel chair offered to us at a greatly reduced price. We purchased these two pieces of equipment and we now have two hospital beds and two wheel chairs which are available to anyone needing them. We also have several pairs of crutches. Please feel free to borrow any of these items by contacting either Carrie Kelley or Amy Brown.

The bed, wheel chair, walker and other equipment have been used a great many times during the past year. Your Red Cross is ready to serve you in any way possible.

Respectfully submitted,

CARRIE H. KELLEY

Forest Fire Warden's Report

PREVENTION IS YOUR BUSINESS

Carelessness, HUMAN CARELESSNESS, causes 9 out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents 5 percent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, buildings, grazing and wildlife are destroyed — all because MANY are CARELESS with fire in and near woodland. This can be remedied. YOU can put an end to this shameful waste! PREVENTION is YOUR business!

YOU, whether YOU be a farmer, homemaker, business or professional man or woman, municipal, state or federal official, clerk or woodsman can play an important part in the continuing and vital prevention program.

First — by setting a good example YOURSELF — being sensible and complying with the necessary laws and regulations governing the use of fire in and near woodlands.

Second — by using YOUR individual influence in your community and valued council with others in insisting and encouraging them to do likewise.

The following simple rules may be used as a guide both for YOU and for them.

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning — don't leave it.
3. Make certain your fire, camp or debris, is DEAD OUT before leaving it.
4. Don't throw down lighted matches, cigars and cigarettes or from moving vehicles — make sure they are out — use your ash tray.

Clinic Report of Public Health Nurse

I am submitting the figures for the third walk-in polio clinic, which was conducted April 7, 1960 by Miss Denice Ward, public health nurse for Carroll County, in my absence. The clinic was sponsored by the Center Harbor Women's Club.

Seventy-six people received Salk vaccine. Fifty-two were adults, five were under five years of age, two were from five to nine years, and one in the ten to fourteen year age group. Sixteen booster injections were given.

Mrs. Amy Brown, school nurse, assisted Miss Ward. I was sorry not to have been present as planned, but my department sent me out of state to a three day meeting.

Respectfully submitted,

VIRGINIA COMSTOCK, P. H. N.

Report of Civil Defense Unit

Each spring there is a Nation-wide "Operation Alert" with each Civil Defense Organization in the State expected to take part. On May 3-4, 1960 we were asked to carry out some exercise giving our C. D. Units practice for actual emergencies. We planned a simulated airplane crash. The firemen, auxiliary police, radiological team and rescue unit planned and exercised their strategy. Much planning was done to make our exercise successful even to being mentioned as one of the active towns in the State Newsletter. Many thanks to all who assisted.

As of June, Center Harbor Neck and High Haith area are without Wardens. John and Eva Randall covered this area until they moved. Our sincere thanks to them for their fine cooperation.

We have not been too active in the past year, but we are organized and hope we are as ready as can be for any emergency.

Respectfully submitted,

Amy L. Brown

C. D. Director
